

# SALES INFORMATION

No.23-002R1, OCTOBER 2023

Distribute to:  Sales div.  Service div.  Parts div.  Accounting div.

## NEW PRODUCT INFORMATION

### New Gauges and Side Mount Pre-rigging kits available

### ✓ Features and Benefits

- The new tachometer includes an hour meter that records the engine total running time up to 99999.9H. It is useful for keeping track of regular engine maintenances such as oil changes. (\*The engine running hours is not resettable.)
- Easier Installation by adopting the fastening ring mechanism.
- Applicable models are MFS25~MFS140 models.
